# SUNNY RIDGE NURSERY

SWARTHMORE, PA.

April 13, 1942

Shortly after you get this we shall begin to clean up blocks of nursery from which we have been selling trees for two or three seasons.

We will put some of the trees back in the cellar, cooled by ice and kept moist in ground peat moss.

If you do not buy them they will be planted out in a few days to start life over again.

In a few seasons they will be double-transplanted trees ready to sell with ball of earth, and many of the chestnuts will be bearing.

If you order now we can ship you as follows:

## Bare Root Trees

### Straight line Chinese Chestnut

Seedlings ..... 2 ft. 75¢ each, 6 for \$3.75

Grafted Chinese Chestnuts ..... { 4-5 ft. \$1.75  
5-6 ft. 2.00

### Grafted thin shelled black

walnuts ..... 4-5 ft. 2.25

### English walnut on black walnut
